ABIODUN BARRY

825-454-1988 | abiodun.barrykayode@gmail.com | Calgary, Canada

SUMMARY

Results-driven Cybersecurity Professional with a specialized focus on Governance, Risk Management, and Compliance (GRC). Offering a proven track record in managing complex cybersecurity programs, implementing risk mitigation strategies, and ensuring compliance with industry standards. Possessing strong expertise in identifying and addressing IT risks while maintaining effective communication across diverse stakeholders.

On the flip side, I'm equally adept at web development, where I bring creativity and technical proficiency to the digital realm. From crafting visually appealing and user-friendly interfaces to ensuring seamless functionality, I thrive on turning innovative ideas into reality. My proficiency spans across front-end and back-end technologies, allowing me to create dynamic and responsive web applications.

SKILLS

- Governance, Risk Management, and Compliance (GRC)
- Third Party IT Risk Assessment and Mitigation
- Cybersecurity Policy Development
- Encryption software
- Programming Languages like HTML/CSS/JavaScript/Node.js
- Understanding of HTTP/HTTPS Protocols, APIs, Shell
- Testing/Debugging
- Confidentiality and decision-making
- Change Management/Incident Management
- Detail-Oriented and Problem solving
- Compliance with Industry Standards
- Continuous Monitoring Programs
- Enterprise Application Deployment
- High Impact Communication and Presentation
- Deadline-driven Project Management

PROFESSIONAL EXPERIENCE

SHUTTLE LANE LIMITED, London, United Kingdom (Remote)   **Jan 2023 - Present**
GRC Cybersecurity IT Risk Analyst
- Spearheaded the implementation of cybersecurity measures, ensuring the security posture of critical information systems.

- Conducted comprehensive risk assessments, identifying vulnerabilities, and proposing effective risk mitigation strategies.
- Developed and executed comprehensive cybersecurity governance programs, aligning with industry standards and regulatory requirements.
- Collaborated with cross-functional teams to ensure effective implementation of risk mitigation strategies and compliance measures.
- Streamlined change management processes, managed complex IT risk programs with high-frequency requests enhancing the organization's ability to adapt to evolving cybersecurity threats.
- Established and maintained communication channels with key stakeholders, ensuring a holistic approach to GRC.
